## Important Information

Emergency Contact (in an emergency all efforts will be made to contact yourselves but in the event that you are unavailable another contact would be appreciated)

.....

Insurance Details.....

Microchip Details (all dogs are now required by law to be microchipped)

.....

If we think that your dog is unwell or injured or sustains an injury during his or her time with us, all efforts will be made to contact you to discuss whether or not your dog requires a visit to your veterinary surgeon. If we are unable to contact you or in the event of an emergency we need your authorisation to seek veterinary attention.

<b>Veterinary Authorisation Details</b>	During my absence Nicola Hopley will be caring for my dog (s) and has my permission to transport them to your surgery for treatment. I authorise you to treat my dog (s) and confirm that I will be responsible for payment either before my departure or upon my return.
Name	
Address	
Telephone No	

I hereby give Nicola Hopley permission to transport my dog (s) to the above mentioned veterinary surgeon. I understand that Nicola Hopley assumes no responsibility for the loss of the dog (s) and is released from liability related to transportation, treatment and expense.

Client Signature.....

If your dog has any relevant medical history, allergies, mobility problems etc please provide details. If medication is required please complete a medication permission form.

## General Information

Please tick as appropriate	Yes	No
I /we confirm that an introduction session has been completed or arranged.		
I /we confirm that we give our consent to let our dog off the lead when out on walks. Please note that we engage in recall training inside the centre before going out on walks. We only let dogs off the lead in secure locations, away from roads, and only if we are confident with their recall.		
I /we confirm that our dog's vaccinations against canine distemper, infectious canine hepatitis, leptospirosis and canine parvovirus and kennel cough are up to date.		
Does your dog have an identification tag? The Control of Dogs Order, 1992, mandates that any dog in a public place must wear a collar with an identification tag which displays the owners name and address, including post code even if your dog is microchipped.		
Has your dog been wormed and treated for the prevention of fleas and ticks recently?		
What is the date of your dogs last vaccination?		

3

## Exercise and Feeding Regimes

Food	Type of food and amount	Exercise

## Terms and Conditions

1. Prior to either boarding with us or attending day care, all dogs must attend an introduction session so they can be assessed as to their suitability for this environment. Following a successful introduction session dogs are evaluated for the first 4 weeks to ensure that your dog is not showing any signs of stress and monitor any behavioural issues that can occur.
2. Dogs must be house trained and suitable to be with other dogs and children.
3. All dogs must come with the completed paperwork including proof of vaccinations.
4. All dogs must be fully up to date with their vaccinations against Canine Distemper, Infectious Canine Hepatitis, Leptospirosis and Canine Parvovirus and Kennel Cough. Vaccinations must have been completed at least four weeks before their stay with us.
5. All dogs must be treated for fleas, external parasites and worms.
6. The Control Of Dogs Order 1992 mandates that any dog in a public place must wear a collar with the name and address, including post code of the owner engraved or written on it or engraved on a tag, whether the dog is chipped or not.
7. We are unable to offer day care or home boarding to un-neutered, adult males or females in season.
8. We are unable to take puppies under 3 months due to licensing restrictions.
9. If your dog is boarding with us, it is vital that you bring your dog's food.
10. Any medication that your dog requires must be supplied by a vet and you must complete a medication permission form with details of dosage instructions etc.
11. If we believe that your dog is not in good health we reserve the right to seek veterinary advice on your behalf and you will be liable for the veterinary fees.
12. We are sorry but we are unable to take aggressive dogs or those that suffer from severe separation anxiety or excessive barking.
13. We are also unable to take any dogs with an infectious disease such as kennel cough.
14. You are liable for any damage that your dog causes during its stay with us.
15. Gosforth K9 Day Care will not be responsible for the payment of any veterinary bills if your dog requires any treatment during his/ her stay with us, unless caused by negligence on our part.
16. If your dog has any issues such as guarding food or toys, mounting other dogs etc it is vital that you inform us so that we can take steps to prevent these situations occurring.
17. Please inform us if your dog has been unwell or has an injury.
18. Whilst we take very precaution to ensure your dog remains safe and injury free, on rare occasions with dogs playing minor injuries such as scratches and scrapes can occur. If anything more serious was to occur we would immediately contact you and seek veterinary attention.
